

# catss

CENTER FOR  
APPLIED &  
TRANSLATIONAL  
SENSORY  
SCIENCE

*Join us for the official opening of the University of Minnesota's  
Center for Applied and Translational Sensory Science (CATSS)*

**FRIDAY, OCTOBER 30 | 1 - 5 PM**

**WEISMAN ART MUSEUM  
Sheppard Room and River View Gallery**

1:00 PM

Brian C.J. Moore, PhD  
Auditory Perception, Cambridge University

2:00 PM

Hubert Lim, PhD  
Biomedical Engineering, University of Minnesota

3:30 PM

Sandra Montezuma, MD  
Ophthalmology, University of Minnesota

4:00 PM

Jonathan C. Horton, MD PhD  
Ophthalmology, Beckman Vision Center, UCSF

Refreshments will be served. During the refreshment break, student posters will highlight CATSS-related laboratory activities in vision, hearing, neural prostheses, balance, and tinnitus.

We anticipate that tours of the new Elliott Hall facilities will be available (depending on the progress of construction) upon request.

**All are welcome. View the schedule and  
RSVP at [z.umn.edu/CATSSopening](http://z.umn.edu/CATSSopening)**
